

# Purex<sup>®</sup> Tip Purification Accessories

## manual soldering applications

**These Accessories are  
Designed to Provide...**

**Unobtrusive lightweight adaptor kits for soldering irons which ensure wherever the iron goes the purification system follows.**

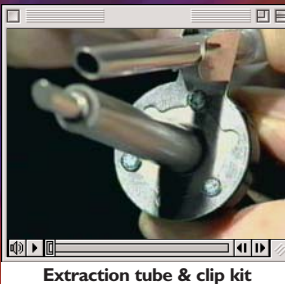

A wide range of quick release connection kits allows soldering irons to be plugged in anywhere on the system in seconds. This gives complete flexibility to change workstations as and when required.

Solder pot stations can be incorporated into the Purex Tip Purification System by using Purex stainless steel Mini Flexi Arms.

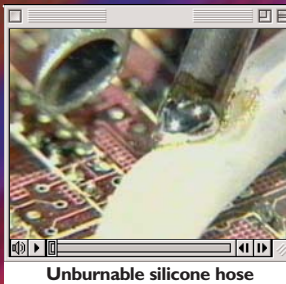

**These Accessories Feature...**

- ▲ the widest range of tip extraction accessories available
- ▲ extraction adaptor kits for all makes of soldering iron
- ▲ no solder tip cooling or weld oxidation
- ▲ ESD safe materials on all soldering iron adaptor kits
- ▲ ability to move stations in seconds using quick release connector kits
- ▲ unburnable silicone extraction hose

Extraction tube & clip kit

Unburnable silicone hose

Iron adaptor kits

Flexi-arm for solder pot extraction

Iron stand modification kit

Quick release adaptor

Blanking plug

Extended on/off tap kit

**8a**

## Iron adaptor kits - to convert soldering irons to accept Purex fume extraction

For use with Purex portable tip purification systems.

- |  |        |
|--|--------|
| Standard Weller / RS / Adcola iron kit | 100057 |
| Metcal iron kit                        | 100067 |
| Antex iron kit                         | 100077 |
- Kits come complete with 1m (40") of 6mm (1/4") x 1mm (1/32") wall black anti static silicone hose & iron stand modification kit.

For use with Purex medium to heavy duty tip purification systems.

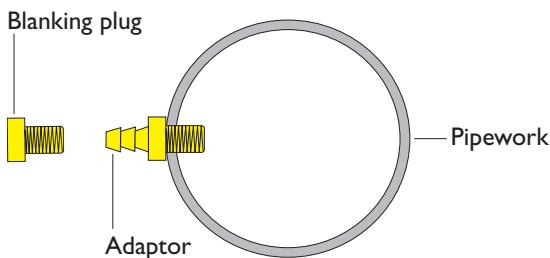

- |  |        |
|--|--------|
| Standard Weller / RS / Adcola iron kit | 100060 |
| Mini Weller iron kit                   | 100065 |
| Metcal iron kit                        | 100075 |
| Antex iron kit                         | 100085 |
- Kits come complete with 1.5m (60") of 5mm (1/2") x 1.5mm (1/16") wall clear silicone hose & iron stand modification kit.

**Large Weller iron kit** 100070  
Kit comes complete with 1.5m (60") of 6mm (1/4") x 1.5mm (1/16") wall clear silicone hose & iron stand modification kit.

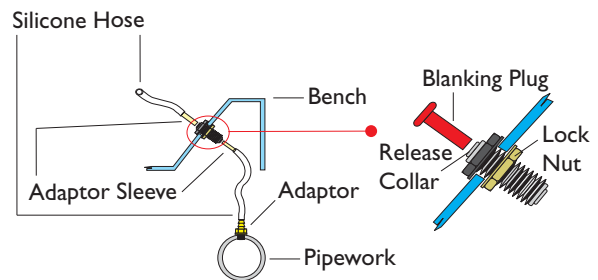

**Flexi-arm for solder pot extraction** 120200  
Extraction requirement for 1 flexi-arm is equivalent to that of 5 x 5mm (1/2") iron adaptor kits.

## Adaptor connection kits - Connect Purex iron adaptor kits to the main extraction pipework

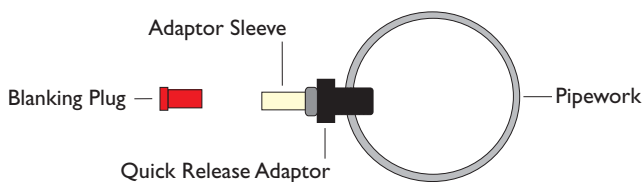

### Screw in adaptor (580010) Blanking plug (580100)

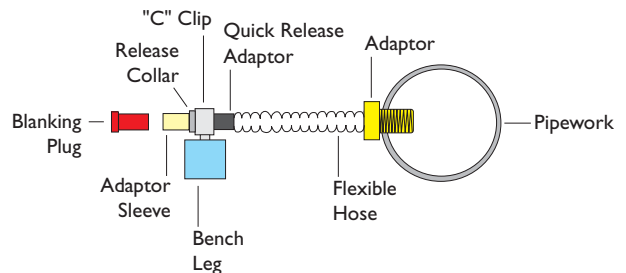

### Bulkhead Connection Kit (100090)

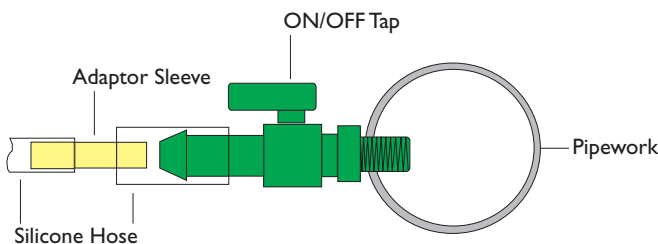

### Quick Release Adaptor Kit (100100)

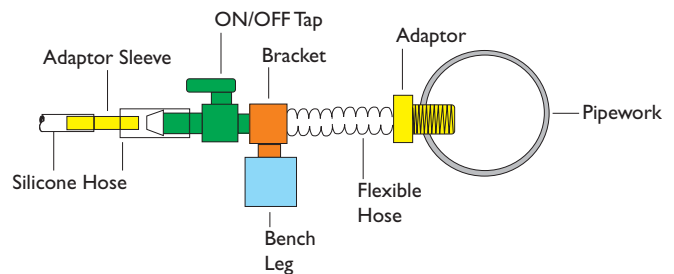

### Extended Quick Release Kit (100110)

### ON/OFF Tap Kit (100120)

### Extended ON/OFF Tap Kit (100130)
